Dear Baba,

You have been a big influence in my life. You have taught me many things. You taught me to never give up. Also, you told me to get up when you fall down. You taught me about Texas History.

I hope when I get older, I make you proud. I promise to make good choices. I'm so glad that you are my grandpa. I'm the luckiest boy in the world. We had so much fun together.

I will never forget last weekend. We got to spend the whole weekend talking and laughing. I hope you will look after me from heaven. I will love you forever. I promise I will take good care of Meme.

Love,  
Jake
